The screenshot shows the Oxford Academic website interface. In the top right corner, there is a user profile icon (a person silhouette) highlighted with a red square. Below this icon, a dropdown menu is open, displaying the text "Signed in as" followed by "Institutional accounts" and "Tokyo Gakugei University", which is also highlighted with a red square. The main navigation bar includes "OXFORD ACADEMIC" and links for "Journals A to Z", "Journals by Subject", "Customer Services", and "Resources". A banner image with the text "Part of the academic community" is visible on the left. On the right side of the dropdown, there are sections for "Sign in" (with a "Get help with access" link), "Personal account" (with options like "Get email alerts", "Save searches", "Purchase content", and "Activate purchases and trials"), and "Institutional access" (with a "Sign in through your institution" button and "Sign in with username / password" link). Below these are "Institutional account management" options like "Sign in as administrator" and "Register".
